LIFT UNIVERSITY LEADER 101

YOU'RE INVITED!

We're excited to invite you to join us for LiftU this year! Our prayer for Lift U is to give college students a unique experience to connect with each other through their common bond in Christ. Our goal is to challenge, renew, and empower students to grow through prayer, worship, thoughtful reflection on Scripture, and fellowship. Last year Maywood Christian Camp hosted the first Lift University w/ students from TX, AL, and TN. This year we're excited to invite your group to let us bring LiftU to you digitally!

INDEPENDENT STUDY

This year, LiftU will consist primarily of three keynote sessions premiering on YouTube on Aug 3- 5 at 7pm (Central) each night. Your group can join us in one of the following three ways:

01: Invite your students to join independently in their homes.

If circumstances prevent your group from meeting together, you can encourage them to join Lift U independently by sharing the info on the following pages with them.

02: Encourage smaller groups to meet together in homes.

If circumstances allow, encourage student leaders to host smaller groups in their homes to watch the keynotes and to discuss the prepared talking points after.

03: Host a group of students at a church building each night.

If circumstances allow, invite students to your church building to watch the keynote and to discuss the talking points after. Ideally, we'd love to have your group join the rest of us as we watch the keynotes at 7PM central each night.

***Extension Policy**

If your group is unable to join Aug 3-5, you don't have to miss out on LiftU altogether. You are free to use our material at any time for retreats, special studies, Bible class, etc.

ENROLLMENT

We hope that you can join us and we pray that Lift U will benefit your group! If you are interested in participating, we ask that you respond to your invitation email with the following: (1) confirmation of your interest, (2) which of the three options above you're shooting for, and (3) how many students you're expecting to participate. This info will help us become better equipped to provide meaningful resources in the future! Once we hear back from you, we will be in touch soon with links to the videos and the corresponding discussion guides. In the meantime, you can email us at liftumaywood@gmail.com with any questions and you can share the info on the following pages with your students to prepare!
